Measurements

Propulsion

Other Specifications

Description

A classic Downeast hull, thoroughly modernized lobster-style boat, updated to create a comfortable cruiser.

Accommodates 2-4 people. Built in Maine and designed by naval architect Spencer Lincoln.

Extensive upgrading by Atlantic Boat Co. and Northport Bay Boat Yard, Northport, Michigan.

Always stored indoors, in heated storage.

Downeast style vessel combines a roomy interior layout with a decent-sized “back porch” cockpit.
