THE FLAKE

Everything's connected. But not everyone can see the patterns, and most people don't even look that hard. But me, I can never stop looking deeper. I can never stop seeing the truth. I spot the patterns. That's how I found the monsters, and that's how I help kill them.

MC	MOVES		
You	You get all of the basic moves, plus pick three Flake moves:		
	Connect the Dots : At the beginning of each mystery,		
	if you look for the wider patterns that current		
	events might be part of, roll +Sharp. On a 10+ hold		
	3, and on a 7-9 hold 1. Spend your hold during the		
	mystery to ask the Keeper any one of the following		
	questions:		
	• Is this person connected to current events more		
	than they are saying?		
	• When and where will the next critical event		
	occur?		
	 What does the monster want from this person? 		
	• Is this connected to previous mysteries we have		
	investigated?		
	 How does this mystery connect to the bigger 		
	picture?		
	Crazy Eyes: You get +1 Weird (max +3).		
	See, It All Fits Together: You can use Sharp instead		
_	of Charm when you manipulate someone.		
Ш	Suspicious Mind: If someone lies to you, you know		
_	it.		
Ш	Often Overlooked: When you act all crazy to avoid		
	something, roll +Weird. On a 10+ you're regarded as		
	unthreatening and unimportant. On a 7-9, pick one:		
	unthreatening or unimportant. On a miss, you draw		
	lots (but not all) of the attention.		
Ш	Contrary: When you seek out and receive some- one's honest advice on the best course of action for		
	you and then do something else instead, mark expe-		
	rience. If you do exactly the opposite of their advice,		
	you also take +1 ongoing on any moves you make		
	pursuing that course.		
П	Net Friends : You know a lot of people on the Inter-		
ш	net. When you contact a net friend to help you with		
	a mystery, roll +Charm. On a 10+, they're available		
	and helpful—they can fix something, break a code,		
	hack a computer, or get you some special informa-		
	tion. On a 7-9, they're prepared to help, but it's either		
	going to take some time or you're going to have to do		
	part of it yourself. On a miss, you burn some bridges.		
П	Sneaky: When you attack from ambush, or from		
_	behind , inflict +2 harm.

INTRODUCTIONS

When you get here, wait for everyone to catch up so you can do your introductions together.

Go around the group. On your turn, introduce your Flake by name and look, and tell the group what they know about you.

HISTORY

Go around the group again. On your turn, pick one of these for each other hunter:

- They're somehow tied into it all. You've been keeping an eye on them.
- They're a close relative. Ask them to decide exactly what.
- Old friends, who originally met through a long chain of coincidences.
- You went through hell together: maybe a monster, maybe military service, maybe time in an institution.
 Whatever it was, it bound you together, and you have total trust in each other.
- Members of the same support group.
- · Fellow freaks.
- The signs all pointed to working together. So you found them and now you work together.
- You know each other through cryptozoology and conspiracy theory websites.
